

SOUTH CENTRAL COMMUNITY FOUNDATION

2022 4th Quarter

NOTE FROM THE

December 31, 2022

Dear Friends,

What an incredible year for South Central Community Foundation!

We are so excited to share the complete listing of our 2022 SCCF Grant recipients, including the newly founded Greensburg Future Fund Grant and Marjorie Gillig Grant. With the six different opportunities available, SCCF was lucky to award nearly \$185,000 this year to our amazing local nonprofits.

Our Board of Directors and Staff also want to thank the community for the incredible support this year, as the Foundation received over \$6 million in donations through local donors and an estate gift.

We look forward to using these dollars to impact many different areas of our communities.

All the best,
Holly Launchbaugh
SCCF Executive Director
