NOTE FROM THE DIRECTOR...

Dear Community Members,

We hope your fall season treated you as well as it did SCCF!

This season is always one of our favorites, as we accepted nearly 250 grant applications from our seven county service area.

Thanks to our over 50 volunteers who make the grant cycle possible each year, we are excited to award these dollars in late October/early November.

The Foundation is also excited to host our first Match Day in just over a month! With the potential \$70,000 available in matching funds thanks to a grant from the Patterson Family Foundation, SCCF is hopeful this event will be a great success for all.

With a few other large events in the works, make sure to follow our social media pages or visit our website (sccfks.org).

All the best,
Holly Launchbaugh
SCCF Executive Director

2023 GRANT CYCLE UPDATE:

SCCF was excited to offer seven different funding opportunities to our many different communities.

The three that are available to all seven counties are the Children's \$5,000 Health Grant, Community Grant, and Teacher's \$250 Grant. The individual county/community grants included the Greensburg Future Fund, Leadership, Marjorie Gillig Fund, and Pratt County Achievement Place—Youth Development Grant.

The Foundation received a record of nearly 250 applications with recipients selected in early October. While many of the opportunities have a narrowed focus, below is a review of the categories requested through the Community Grant, which is capped at \$2,000 and available to any nonprofit, school, city, or church.
