- Thank you -

On behalf of South Central Community Foundation, we would like to thank all of our donors who helped to make these grants possible. We would not be able to fund these amazing projects without these incredibly generous donations.

South Central Community Foundation offered a new grant opportunity to Pratt County. Along with the Foundation's three other applications, this year SCCF offered a grant aiming to help children and youth in Pratt County **supported by the Pratt County Achievement Place Endowment Fund.**

Available to nonprofits or schools, this grant can be used for any children/youth project or program in Pratt County. The Foundation along with the Pratt County Achievement Place grant selection committee were thrilled to award these four recipients and are excited for the future of this grant opportunity.
