A WORD FROM OUR DIRECTOR

Dear South Central Kansas,

What a year 2025 was and we hope you had as much fun as we did!

Highlighting a few of our favorite accomplishments this year:

- Worked through a new scholarship cycle timeline and what a success with over 600 applications received!
- Patterson Family Foundation Match Day application was accepted for a third year and increased match pool of \$100K! (spoiler alert: we hit our goal and raised \$212K for twenty nonprofits in South Central Kansas).
- Hosted two “open houses” in Stafford and Kingman County.
- Celebrated YMAD receiving the Youth Engagement Grant from Patterson Family Foundation (more on page 8).
- Surprised former Board Member, Lance Dixon, with the 2025 Olive Bloom Outstanding Service Award Recipient.

With so many options for your philanthropy partners, we cannot thank each of you enough for your continued trust in SCCF and our mission.

Looking forward to reconnecting in the new year,

Holly Launchbaugh

These funds support a variety of community needs, including scholarships, local grantmaking, and donor-designated gifts to specific nonprofit organizations.

2025 GRANTS AND SCHOLARSHIPS

2025 was another incredible year, granting just over \$1.48 million in grants and scholarships to our seven counties and around the United States. We also celebrated our third Match Day, raising over \$212,000 for twenty nonprofits in our service area.

A WORD FROM OUR PROGRAM DIRECTOR

Wow—what an incredible year 2025 was for the Youth Making a Difference (YMAD) Council!

In the spring, the YMAD Council assembled 120 water bottle snack packs, which were donated to local food banks across their counties. Then in the fall, council members came together to award \$35,000 in community grants, supporting impactful projects such as the purchase of AEDs and school resources. During this time, they also began planning their own county-wide community service project, which will include creating hygiene bags, food boxes, and snack bags.

The YMAD Council would like to extend a huge thank-you to the Patterson Family Foundation for their generous \$70,500 grant. This funding will support the planning, hosting, and distribution of items from the community service project to local nonprofits over the next two years. To stay up to date on these projects, please visit our Facebook page or our website under the YMAD Council section and the “About YMAD & Application” tab.
